Dear Mr. Ellison and Friends at St. Louis Woodworkers Guild,

Thank you for your very generous donation of handmade wooden toys. The children who are in most need were very happy to receive this special toy. A number of toys have been purchased at affordable prices for the children whose parents cannot afford expensive toys. The dollars collected from the sales is used to purchase more food to be given out at the pantry.

It is gracious donors like yourself that help us continue our mission of helping those struggling in the community.
